

Raw Powder Tudca Tauroursodeoxycholic Acid Supplement CAS 14605-22-2

Our Product Introduction

for more products please visit us on bodybuild-supplement.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 10Grams
- Price: USD
- Packaging Details: 1kg/Foil Bag
- Delivery Time: 3-7days after received payment
- Payment Terms: T/T, Western Union, PayPal
- Supply Ability: 5000KG Per Year

Product Specification

- Product Name: Tauroursodeoxycholic Acid
- Cas: 14605-22-2
- Appearance: White Powder
- Purity: 99%
- Usage: Health Care
- Highlight: **Tudca Tauroursodeoxycholic Acid, Tauroursodeoxycholic Acid Supplement, CAS 14605-22-2**

Product Description

High Quality Raw Powder Tudca Tauroursodeoxycholic Acid CAS No 14605-22-2

Product Name	Tauroursodeoxycholic Acid(TUDCA) CAS NO 14605-22-2
CAS NO.	14605-22-2 TUDCA
MF	C ₂₆ H ₄₅ NO ₆ S
EINECS	1308068-626-2
Melting point	173-175°C
Density	1.216±0.06 g/cm ³

Tauroursodeoxycholic Acid (TUDCA) is a liver aid introduced as a supplement by ThermoLife in their product Liver Longer. It looks like a good resource for preventing cholestasis, one of the major risks with 17 alkylated.

Tauroursodeoxycholic Acid (TUDCA) is an ambiphilic bile acid. It is the taurine conjugate form of ursodeoxycholic acid (UDCA). Humans are found to have trace amounts of TUDCA. However, bears contain large amounts of TUDCA in their bile.

TUDCA has diminishing apoptotic effects, helping with cardiac function, Huntington's disease, Parkinson's Disease, and stroke. Recently, TUDCA has been found to have protective effects in the eye, especially concerning retinal degenerative disorders.

Function

- 1.It is mainly used in patients with sterol gallstones, cholestatic liver diseases (e.g.: primary biliary cirrhosis), bile reflux gastritis, autoimmune hepatitis (AIH), primary biliary cirrhosis (PBC), primary sclerosing cholangitis (PSC), chronic hepatitis (hepatitis B and C, etc.), alcoholic fatty liver disease, non-alcoholic fatty liver disease, drug-induced liver damage, pre - and post liver transplantation prophylaxisChemotherapy complications, and so on.
- 2.In a variety of neurodegenerative diseases, such as Alzheimer's disease, Parkinson's disease and Huntington's disease, it can be used as a mitochondrial stabilizer and anti apoptosis agent.
- 3.It can be used as lipase accelerant, anion remover, protein dissolver and bacterial culture medium.

Our Advantage

- 1.Place of Origin China with Super quality by reasonable price.
- 2.Fast delivery by safe express way to all the country.
- 3.Has a number of highly qualified engineers and experts to provide guidance for reagents.
- 4.When you meet problems in mineral processing, we can provide technical guidance.
- 5.We can supply sample for testing
- 6.We promise 100% delivered,and 100% resend or refunds if parcel is not delivered!

Why choose us?

- 1.Full experience of large numbers containers loading in Chinese sea port.
- 2.Fast shipment by reputed shipping line.
- 3.Packing with pallet as buyer's special request.
- 4.Best service after shipment with e mail.
- 5.Cargoes together with container sales service available.
- 6.Full experience for Canada & Japan export
- 7.Cargoes photo before and after loading into container.

8.Raw materials from Chinese origin.

Package and Delivery:

Ten years of experience in the industry Safe delivery of packages to the United States, Mexico, Canada, Australia, the Netherlands, Germany, New Zealand, the United Kingdom, free customs clearance, and door-to-door service with free shipping to your address.

100% safe delivery of your package!
